Cricket Match At Makiki Saturday

Captain McGill of the Cricket Club is trying to arrange a match for Saturday next, and it seems very probable that there will be a good game between the members of the club.

Last Saturday week there was a good turn-out of players, and an enjoyable game was played. Several new men tried the game for the first time, and from the remarks they made and the form they showed, it looks as if they will be an acquisition to the cricket club. The old regular standbys are sure to turn up for a game, and now that fresh members are joining the club the prospects look brighter than they have for a long time.

There is some talk of having an all-day match on Kamehameha Day, and the idea is being taken up with enthusiasm by a number of the cricketers. An all-day match would allow of each side having two innings, and, as that is the real way to play a match, the excitement would be kept up, and the interest in the game much keener than when only half a match is played.

The cricket ground is in good order now, and all that is needed is a general bucking up of the members of the club and a good turn-out on Saturday afternoon. The talk of a cricket pitch right in the city, where players could practice every afternoon without the necessity of having to go out in the car, is being revived, and possibly sufficient land can be obtained to form a practice wicket on. This would be a great boost for the game, and its players could reach a ground without any trouble no doubt the game would flourish as it never has before.

Captain McGill is taking around a list of members of the club and is asking each one whether he can play on Saturday or not. It is to be hoped that there is a big turn-out of players and that a match will be played between picked sides.

C. A. C. MAY NOT JOIN NEW LEAGUE AFTER ALL.

There appears to be a hitch in the arrangements with regard to the new baseball league, and doubt has been expressed as to whether the C. A. C. will join the Oahu League or not. There will be a meeting next Friday night, and a decision will be arrived at then as to whether the club return to the Riverside fold or throw in their lot with the new league.

The Riverside series will start on June 13, and a very interesting lot of games are to be played from that time on. If the C. A. C. do not return of the league there will still be four teams in the competition, and they will put up a fine brand of ball.

The Aulas are said to be protesting their game against the C. A. C. which was won by the latter team last Sunday. The sensational catch which put Lunning out is the cause of the pique. The Aulas are reported to have claimed that when the fielder fell he dropped the ball to the ground. From the bandstand it looked to be a clean catch, and a very good one, too. However, only those in the immediate vicinity could see properly, and as the umpire gave the man out that should be the end of the matter. Probably the talk of a protest is not correct, and the Aulas, like the good sports they are, can take a licking without squealing over the trouble.

SHORT SPORTS.

The Yokohama Specie Bank will put a beautiful baseball team in the field against the Bank of Hawaii next Saturday at 3 p. m. on the Punahou grounds. The Specie Bank line-up will be as follows: Saigo, c; Fukano, p; Motoki, 1b; Hayakawa, 2b; Murakami, 3b; Masuda, ss; Otsuka, lf; Tatsuda, rf; Wada, cf.

The Oahu Baseball League Juniors will hold a meeting on Friday evening at 7 o'clock in the office of the Real Estate Exchange. Some important business will be brought up, and all members are requested to attend.

Kapiolani track will be cleared from today till June 11 in order to get it into good order for the sports meeting on that day.

SIX NEW LECTURES TO BOOST HAWAII

When Mrs. Headlee leaves here to resume her work of representing Hawaii in Los Angeles, she will be equipped with six new lectures to help her in promoting the interests of this Territory. Moving pictures and lantern slides will form no unimportant part of her promotion material.

One of the interesting and unique features of Mrs. Headlee's collection will be a fine set of moving pictures, the work of R. K. Bonline. These have been selected with particular attention to their value for promotion purposes, and will prove quite an attraction, it is believed.

Mrs. Headlee is now on Maui, studying that island, and priming herself with facts for the boosting campaign which she is soon to take up. From there she will move on until she has made a circuit of all of the islands of importance in the Hawaiian group.

One of the lectures which is planned is a tour of the island of Oahu. Mrs. Headlee will be taken around the island in a motor car, ample opportunity being given to observe all the points of interest along the way, including sugar plantations and pineapple fields. This trip will be illustrated with a particularly interesting series of lantern slides.

Secretary H. P. Wood of the Promotion Committee is doing all in his power to assist in the collection of data and pictures, and it is believed that Hawaiian promotion work in Los Angeles will be carried on this winter with renewed vigor and effectiveness.

JAIL ROW AGAIN TOMORROW NIGHT

Whether the county will manage the Jail after July 1, or whether High Sheriff Henry will continue at the helm of the institution, will probably be decided at tomorrow night's meeting of the Board of Supervisors. Various members of the Board have been collecting figures during the past week, and the supporters of the two propositions will probably be prepared to fire broadsides of statistics at the session.

Supervisor Quinn, whom Aslett has evidently picked out as the chief mark for his shots, denies that he is bigotted in his position against the project to leave the Jail in the hands of the High Sheriff. On the other hand, if the county can conduct the institution for figures something like those offered by the High Sheriff, he believes that the intent of the law should be carried out, and that the county should transact its own business.

Quinn insists that, sooner or later, the county must erect a kitchen, hospital, and administration building on the Jail premises, and he believes that the sooner the job is done the better.

The opposing factions will be prepared to inundate each other tomorrow night.

CHINA IN FROM ORIENTAL PORTS

After a considerable delay in the examination of her passengers off port this morning, the Pacific Mail liner China, Captain Fricke, came into port and docked at the Channel wharf, where she is discharging her freight from the Oriental ports. She brought a small number of passengers for Honolulu, among them being Mr. and Mrs. Allan Herbert, who have been visiting in Japan. Mr. Sakamoto, formerly of Honolulu and Mrs. Sakamoto, Mr. Sakamoto was met at the wharf by Mr. Masuda of the Yokohama Specie Bank.

The China brought a large bunch of mail for Honolulu. As soon as she has taken in enough coal, she will resume her voyage this evening, sailing at 6 o'clock for San Francisco.

BUFFALO HEARD FROM

At 9:30 o'clock last night the operator at Kiholo Point wireless station got into communication with the U. S. S. Albatross. The ship gave her position as 12 miles off this port.

The Albatross is carrying a large detachment of men to relieve time-expired men in the Philippines. She will arrive here on Tuesday or Wednesday at the earliest.

Country Club Has Three Day Sport

There was a big crowd at the Country Club yesterday, and full advantage was taken of the beautiful weather, which was perfect. The bogey competition was played off and proved a great success, and a large number of players took part in it.

The first prize went to Hobie Walker, who was run close by W. H. Babbitt, who, in turn, lead A. F. Ewart by a narrow margin. Two fine prizes were provided, and that of Mr. Walker turned out to be a set of carving knives, whilst Mr. Babbitt took a cocktail shaker for second place.

Saturday, Sunday and Monday were all gala days at the Country Club, and most of the golf players stuck to the Club for the whole time. The bus ran frequently and proved a great convenience to the members and their friends.

The official scores were, first prize, H. H. Walker, 1 up; second prize, W. H. Babbitt, 1 up; A. F. Ewart, even; Wm. Simpson, even; T. Gill, even; H. C. Carter, 1 down; C. H. High, 1 down; E. W. Klebahn, 2 down; D. H. Hitchcock, 3 down; A. F. Judd, 5 down; S. G. Wilder, 3 down; J. O. Young, 4 down; Chas. Hartwell, 4 down; E. Munro, 4 down; E. M. Campbell, 4 down; Jas. Wilder, 6 down; O. Sorenson, 7 down; H. A. Walker, 8 down; C. H. Merriam, 8 down; J. D. McNery, 8 down; J. Kalaniana'ole, 9 down; C. Kimball, 9 down; Jas. Fiddes, 10 down; Chas. H. Wilder, unfinished; H. P. Wichman, unfinished.

IRRESISTIBLES TO PLAY DIAMOND TEAM SUNDAY.

Vierra's Irresistibles will have a hard task on their hands next Sunday when they meet a team from Diamond & Co. on the baseball ground. The Wall Nichols bunch are very confident that they can beat any business team in the city, but, on the other hand, the Diamond bunch say that next Sunday at Aala Park is the time and place where the Irresistibles get it where the chicken is alleged to have stopped the axe.

However, the bookseller bunch are feeling very chirpy, and they scorn the idea of defeat. So far they have won every game they have played, and in every instance by a good margin. The line-up of both teams is as follows: Irresistibles—Hoehl, c; Ah Toon, p; A. K. Vierra, 1b; W. Jordan, 2b; A. Souza, 3b; Kenneth, ss; S. Gunn, rf; S. Bunn, cf; E. Iwashita, lf. Subs, Mori Sakl, John Peterson, Diamond—Joe Martin, p; Joe R. Silva, 2b; Pedro F. Neves, cf; Manuel Gomes, c; Vincent Gomes, c; Ah Fat, 3b; Henry Achong, 1b; Peter Carrus, lf; John Mezzati, rf. Subs, Allen, J. K. Sopa, E. Kilomir, Manager, Sam Wong. The game will start at 1:30 sharp, and no doubt the fans from both business houses will be on hand to root for their fellow employees.

RED WHITE AND BLUES TO THE FORE ONCE MORE.

The Red White and Blues once more kept their end up against the Phukanas on Sunday last, and the tri-color is being waved proudly aloft on the ancestral walls of Captain Perriera. The R. W. B. won their game by the score of 8 to 7, and the rooting at the finish was great.

According to the report turned in by the press agent for the Red, etc., the Phukanas are a bunch of husky youths averaging seventeen years of age, whilst the R. W. B. ages range from seven to twelve years. This statement will probably raise a howl from the Phukanas, but they had better interview MR. Perriera about the matter. Perriera is just seven years old, and much better to take care of himself than the present writer.

The tri-color team is now champion of its district and they are afraid of nothing. The line-up was as follows: Perriera, c; Allen, p; Peepel, 1b; Salsal, 2b; Alfred, 3b; Jim, ss; Willie, lf; Kalel, cf; Tom, rf. Next Sunday the little fellows are going to have another go at the Phukanas and mean to put it all over them—in fact, whitewash has been mentioned in connection with the game.
